RULINGS: PLEASE TYPE THE FOLLOWING ON DOCKET SHEET

The Court conducts a telephonic initial conference. The case is referred to expedited court-annexed mediation to be completed by September 17, 2021, and the motion to stay is granted, for up to 52 days, on consent of all parties and in order to allow the parties to focus on resolving the case; however, the parties should engage in informal discovery to facilitate settlement discussions. The [30] motion to transfer venue is deemed withdrawn, without prejudice. If mediation is unsuccessful, the parties will propose a new schedule for the motion to transfer venue. Fact discovery must be completed by March 16, 2022. Pleadings may be amended and new parties added as of right by November 22, 2021. The Court defers setting a schedule for expert discovery and requesting a pre-motion conference. The parties must file a joint mediation status report by September 21, 2021.
